I am going to share an observation from this past week. I was with SR as he maneuvered through the area in DC for a short time . We were approached by multiple media sources, websites and live streamers. No matter how big or how small SR spoke to them all on camera and made his points very clear . We have to become more vocal not less . They want to use our

silence as a “ they must be doing something wrong “ tool.

Well we aren't doing anything wrong . We are standing up against a communist regime trying to take control of our republic. If that makes us bad people so be it . We are not or have we ever been extremists or white supremacists . On the contrary we are the polar opposite .

We want justice and freedom for all. We want everyone to come together for the good of our country. We have to start calling these things what they are and follow SR lead . I'm not saying seek out TV etc... but if anyone asks . I have no problem telling them what we are about . Defending the constitution of the United States of America and ALL of those that
